

Work Distribution

Assignment #4

Team #Soft-Force

Date #5 March 2016

	Student Name	Signature	% total effort	Lots of extra work	Description of what done
1	Berik Khamit		35 %	There was no extra work from his side	I worked over the design of this documentation, teammates send me all content I collect them, and form PDF Documentation with awesome design. Also helped to teammates to understand our application working system
2	Askar Baibossynov		25 %	There was no extra work from his side	I wrote all models and draw UML schemes before it and attach them one by one(I found an dormitory image for the First page))
3	Abai Zhardem		20 %	There was no extra work from his side	Constructed soft problems and analyzed them.
4	Abilkaiyr Doszhanov		20 %	There was no extra work from his side	I wrote all models and draw UML schemes before it and attach them one by one

Minutes of Work
