

## Work Distribution

Assignment #3

Team #Soft-Force

Date #27 February 2016

	Student Name	Signature	% total effort	Lots of extra work	Description of what done
1	Berik Khamit		31 %	There was no extra work from his side	I wrote all models and draw UML schemes before it and attach them one by one
2	Askar Baibossynob		23 %	There was no extra work from his side	I found an dormitory image for the First page ))
3	Abai Zhardem		28 %	There was no extra work from his side	I wrote this thing, I distributed all our team member's work, what part was done by whom. And wrote this document
4	Abilkaiyr Doszhanov		18 %	There was no extra work from his side	I worked over the design of this documentation, teammates send me all content I collect them, and form PDF Documentation with awesome design. Also helped to teammates to understand our application working system

## Minutes of Work

Team #Soft-Force
